Appeal Mechanism for 2026 Asian Games Nomination / Selection

Hong Kong China Wrestling Association Limited

1. Purpose

This Appeal Mechanism provides a structured process for athletes affected by a selection or nomination decision made by the Hong Kong China Wrestling Association Limited (“the Association”) in relation to the 2026 Asian Games, ensuring a fair review of grievances concerning selection outcomes, disciplinary actions, or other disputes arising from the nomination process.

2. Right to Appeal

Any athlete who has participated in the Association’s selection process for the 2026 Asian Games and who is affected by a decision of the Selection Committee, the Board, or any authorised committee of the Association has the right to appeal if they believe the decision was unjust, unreasonable, or made without proper procedure.

Appeals must be based on one or more of the following grounds:

Reason	Description
Procedural Irregularity	The decision-making process did not follow the prescribed selection rules or procedures as set out in the Association's Selection Mechanism for the 2026 Asian Games.
New Evidence	New evidence has come to light that was not available at the time of the original selection decision and could reasonably affect the outcome.
Unreasonable Outcome	The selection outcome was excessively harsh, manifestly unreasonable, or inconsistent with the published selection criteria given the circumstances.

Note: Appeals cannot be based solely on disagreement with technical or coaching judgments, unless such judgments were made in bad faith or in clear violation of the published criteria.

3. Submission of an Appeal

An appeal must be submitted in writing to the Secretary of the Association within 7 calendar days of receiving the selection result notification (or within 14 days if the matter relates to a disciplinary decision affecting nomination).

The written appeal must include:

A clear statement of the grounds for appeal (referencing one or more of the grounds in Section 2 above);

A summary of all supporting evidence or documentation;

The specific relief or outcome requested by the appellant (e.g., reconsideration of selection, re evaluation of scores, etc.).

Appeal Submission Address:

Secretary, Hong Kong China Wrestling Association Limited

headofficehk@hkwrestling.org

4. Appeal Committee (2026 Asian Games)

An Appeal Committee shall be established specifically to review and determine appeals arising from the 2026 Asian Games selection process. The committee shall consist of:

Three members appointed by the Board of the Association;

At least one member shall be independent of the original Selection Committee and shall have no direct involvement in the selection process for the 2026 Asian Games;

No member shall have any conflict of interest in relation to the appeal.

The Appeal Committee shall select a Chairperson from among its members.

5. Appeal Process

5.1 Initial Review

Within 7 days of receiving the appeal, the Appeal Committee shall review the submission to determine whether it meets the criteria set out in Section 2. If the appeal does not meet the criteria, the appellant shall be informed in writing with reasons.

5.2 Hearing

If the appeal meets the criteria, the Committee will hold a hearing within 30 days of receiving the appeal. The appellant may be present in person or virtually (by video or telephone conference) and may bring a representative (e.g., coach, parent, or legal adviser) to the hearing.

5.3 Decision Making

The Appeal Committee will consider the appellant's arguments, evidence, and any relevant Association policies or selection procedures. All decisions of the Appeal Committee shall be based on a majority vote.

6. Outcome of the Appeal

The Appeal Committee may take one of the following actions:

Outcome	Description
Uphold the Original Decision	The original selection decision stands, and the appeal is dismissed.
Modify the Decision	The original decision is upheld, but the terms or consequences are modified (e.g., adding or removing a condition).
Overturn the Decision	The original selection decision is revoked, and the appellant is granted the relief requested (e.g., inclusion in the nomination list).
Remand for Reconsideration	The case is sent back to the original Selection Committee with specific instructions for a re evaluation.

7. Notification of Decision

The Appeal Committee shall provide the appellant with a written decision within 7 days of the hearing, detailing:

The outcome of the appeal;

The reasons for the decision;

Any changes to the original selection decision.

8. Finality of Appeal

The decision of the Appeal Committee is final and binding on all parties in relation to the Association's internal nomination process for the 2026 Asian Games, subject only to any rights of review or remedy provided by the laws of Hong Kong.

9. Confidentiality

All proceedings related to the appeal, including submissions, hearings, and outcomes, shall be kept confidential. Information will only be disclosed to parties directly involved in the appeal and to relevant officials of the Association who need to know for implementation of the decision.

10. Record Keeping

The Secretary of the Association shall maintain detailed records of all appeals relating to the 2026 Asian Games, including the grounds for appeal, supporting documentation, hearing details, and final decisions. These records shall be retained for a minimum of five years.

11. Annual Review and Applicability

This Appeal Mechanism has been adopted specifically for the 2026 Asian Games nomination and selection process. The Board shall review the mechanism as needed, and any amendments shall be subject to approval by the members of the Association at a General Meeting.
